

Side Windshields for Pan America 1250

VST-010103-010

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This Side Windshield Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

1. Remove the front windshield and side windshields of the original vehicle first, and remove the screws for later use. As shown in figure:

2. Install the new side windshield, distinguish the left and right directions, and then fix them with the original screws, as shown in the picture:
