

Inner Fairing Speedometer Radio Speaker Trim Kit for Harley Road Glide

VST-010103-021

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This Inner Fairing Speedometer Radio Speaker Trim Kit is exclusively designed for your vehicle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

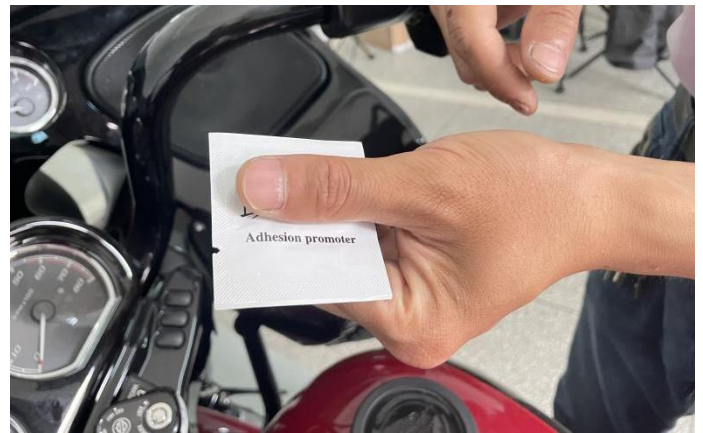

1. Products and accessories

2. Wipe the entire surface of the instrument panel with a cloth first.

3. Then use the adhesive wet paper towel provided in the product to wipe the edges where the decorative parts need to be installed.

4. Finally, peel off the film on the back of the product, stick the product to the corresponding instrument panel, and press it hard to make it stick firmly, as shown in the picture:
