

# LED Headlights for Kawasaki Z650 Z900 2020-2024

VST-010701-004

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

This LED headlight is exclusively designed for your motorcycle. Please read the installation instructions thoroughly before beginning. Installation is easier if the motorcycle is clean and free of debris.

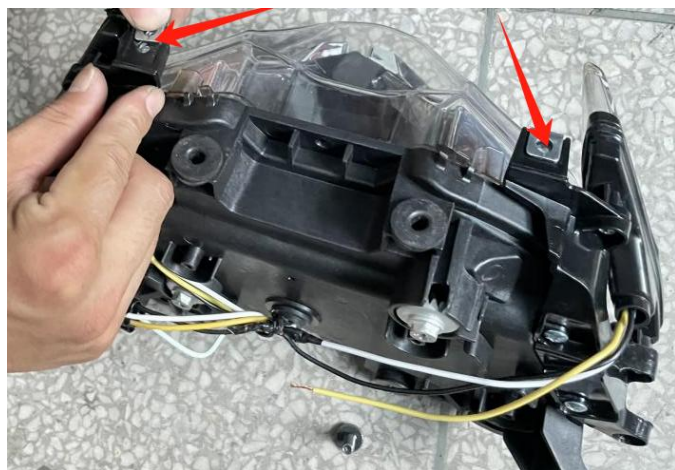

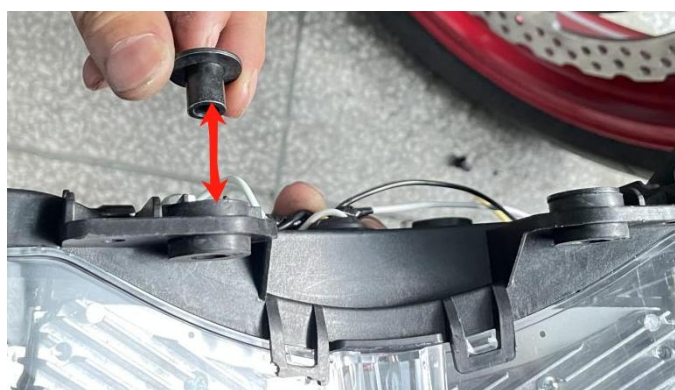

## INSTALLATION INSTRUCTIONS

Note: Shift motorcycle transmission into "PARK". Turn key to "OFF" position and remove from motorcycle.

### 1. Products Display

2. Remove the original headlight and decorative cover, then remove the rubber plugs, plugs, steel clips, and small lights on both sides of the original headlight, and move them to the new headlight according to their original positions. As the picture shows:

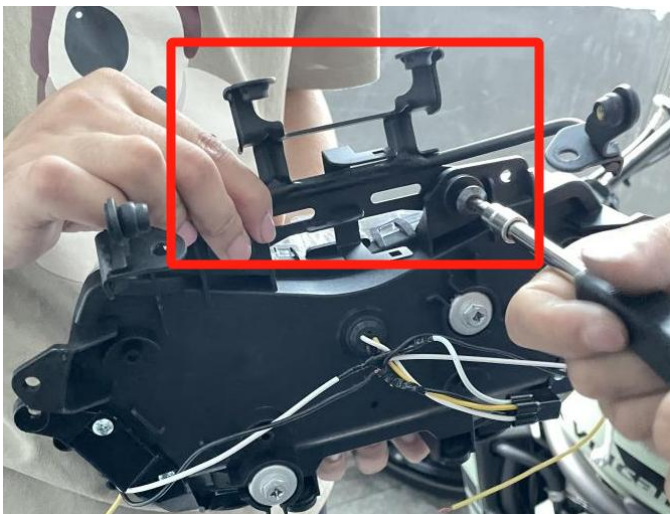

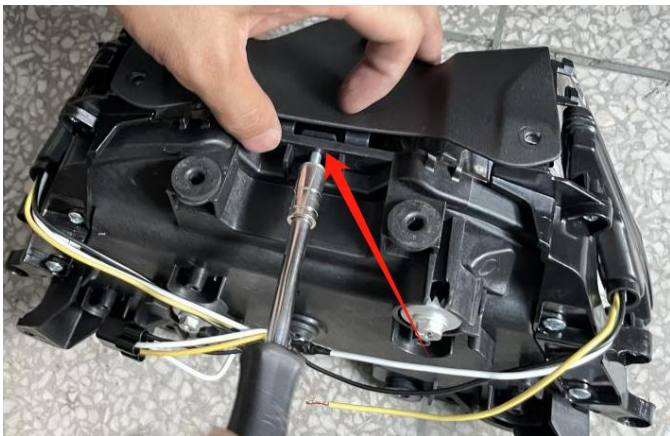

3. Remove the decorative bracket and baffle, and also move to the new headlight according
