

# Headlight for Honda Gold Wing GL1800 2001-2018

VST-010201-001

## BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

## IMPORTANT

This Headlights are exclusively designed for your motorcycle. Please read the installation instructions thoroughly before beginning. Installation is easier if the vehicle is clean and free of debris.

## INSTALLATION INSTRUCTIONS

Note: Shift vehicle transmission into "PARK". Turn key to "OFF" position and remove from vehicle.

### 1. Products Display

2. Remove the seat cushion, trim panels on both sides and instrument trim of the original motorcycle. As the picture shows:

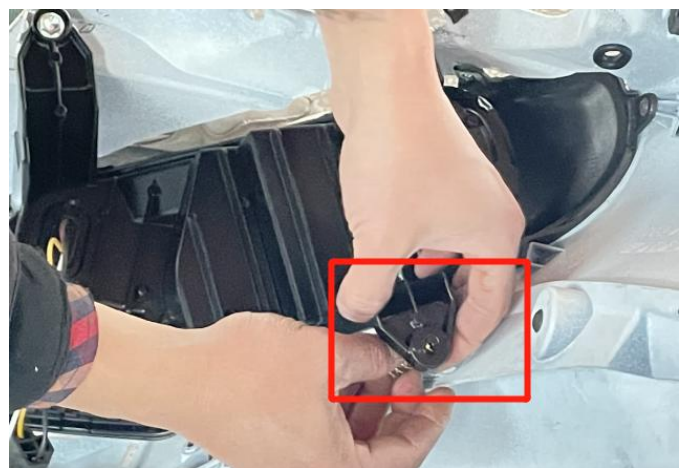

3. Remove the front windshield of the original motorcycle and the headlight mounting cover. As the picture shows:

VST-010201-001

5. Then use the original motorcycle headlight connecting bracket to reinforce the new headlight (also need to cover the spring inside). As the picture shows:

Finally, install the protective cover of the new headlight and the previously removed accessories back on the motorcycle. As the picture shows:

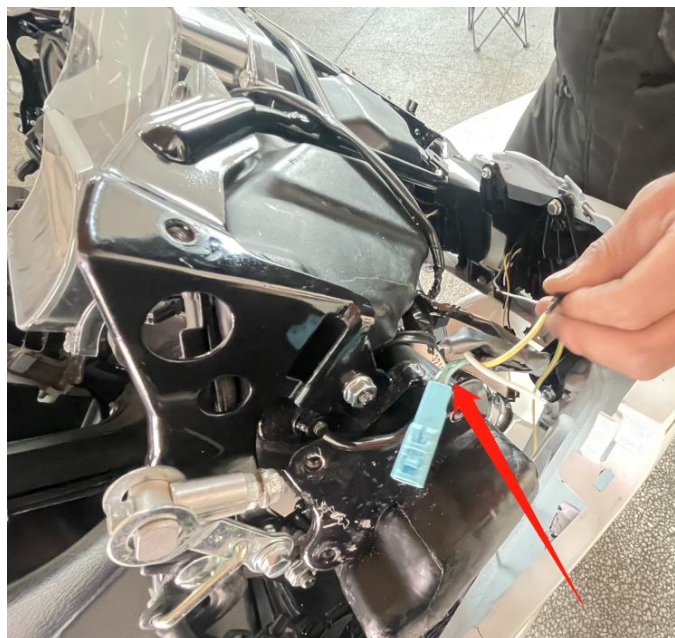

6. Follow these steps:

First, connect the new headlight harness connector with the motorcycle harness connector

Then, break the skin of the yellow left turn signal harness of the original motorcycle, and then connect the turn signal harness on the new headlight and insulate it. Then break the skin of the blue right turn signal harness of the original motorcycle, connect the turn signal harness of the new headlight and insulate it

Third, check whether the headlight and turn signal functions are normal after connecting the harness
