

Wind Deflector for Honda Gold Wing GL1800 18-23

VST-010203-008

BEFORE YOU BEGIN

Read these instructions and check to be sure all parts and tools are accounted for. Please retain these installation instructions for future reference.

IMPORTANT

This Wind deflector is exclusively designed for your motorcycle. Please read the installation instructions thoroughly before beginning. Installation is easier if the motorcycle is clean and free of debris.

INSTALLATION INSTRUCTIONS

Note: Shift motorcycle transmission into "PARK". Turn key to "OFF" position and remove from motorcycle.

1. Products Display

2. Clean the area where the windshield is installed first, and then remove the screws at the bottom of the decorative panels on both sides of the motorcycle. Remove the anti stick film on the back of the windshield and install it on the motorcycle. Then, press down on the windshield firmly to make it fit better. Finally, secure it with screws (the installation method for the other side of the windshield is the same). As the picture shows:
